Wish Everyone a Very Happy & Family-Filled Thanksgiving Holiday***

"As we prepare to celebrate one of the most important and traditional American holidays of the year, I encourage all Texans to give thanks and be grateful for the many wonderful things that we have and cherish as Americans, including the abundance of many freedoms, rights, and opportunities that so many other countries do not have. I also especially urge everyone to remember all our service men and women who are serving in the military to allow us to have many of those freedoms. And of course, we must not forget that this year's Thanksgiving has more special meaning because of the horrible incident that happened at Fort Hood four years ago earlier this month. I also encourage everyone to remember the less fortunate, the poor, the homeless, and all those others that may be going through some difficult times in their lives. Most importantly, I urge everyone to keep this holiday a celebration, and don't let it become another tragedy," said Rep. Alonzo.
